

The Boot Warehouse - Size & Exchange Returns Form

To create a new return request, begin by calling us on 02 9524 6188 and request a pre-paid return label. This will cost \$16.95 and can be paid over the phone. You will receive your label via email to print and attach to your return. The payment of \$16.95 covers the cost of the postage of your item back to our warehouse and the cost of your new item back out to you (or a refund in full). This saves you from having to pay general public postage rates to return your item. \$30.00 for NZ
